"Before going with Cablevey, we used buckets, pneumatics, belt-drive and vacuum-load systems, but they were not efficient. After reviewing different solutions, we chose Cablevey on price, installation, turn-around time and flexibility.

Jean-François Vallee,
Engineering & Maintenance Manager
Van Houtte Inc. Montreal, Canada

BEAN BREAKAGE DECREASED BY 78%. THIS DECISION WAS A NO-BRAINER!"

Discs attached to Ultra-Flex cable gently conveys product through the tube without the use of air.
